**Centralized Clinical Placement Online Orientation**

Students and clinical faculty are required to complete the Online Orientation Program as part of their clinical education experience. Please remember, reading the modules does not relieve you of your responsibility to locate and review the policies and procedures that have been adopted by each of the health care organizations to which you are assigned. If you have questions regarding the content within the modules or the process, please contact your clinical instructor or school's contact person.

The Online Orientation is comprised of 3 steps:

- Step 1: Complete centralized modules and post-tests (Modules 1, 2, 3 and 4).
  - Module 1: Basics of Student Placements
  - Module 2: Nurse Core Competencies
  - Module 3: Infection Control and Prevention
  - Module 4: Environment of Care
- Step 2: Submit your contact information to your approved clinical placement facility.
- Step 3: Complete health care facility-specific material.

Detailed Instructions:

- [For students/faculty certifying for the first time](#)
- [For returning \(re-certifying\) students/faculty](#)

**On-line Clinical Orientation must be completed by Tuesday, September 6. If you do not have a printer have your user ID and password ready to log in at school and we can print the ticket for you.**

Step One: <http://www.mass.edu/mcncps/orientation/welcome.asp>

Log in to the website; in the upper left column click on Log in/ register. For your student ID, use your birth date in MMYCCCC format- example, August 17, 2016 would be 08172016. Pick Tewksbury Hospital as the facility and Mrs. Forgione as the instructor (even if you are not there now, you will be later in the year).

Click on each Module and answer the questions at the end of the module to complete it. **YOU MUST DO ALL FOUR MODULES.**

Click on Documents. You should see Tewksbury Hospital highlighted. Click on this and follow the steps to the Clinical ticket. **Print and sign the Clinical Ticket and bring to Gina.**
